

THE ARTS SOCIETY NOTTINGHAM

Nominations for Committee Members

The Arts Society Nottingham has almost 500 members and running the organisation requires the support of a committee. We have about 13 "roles" on the committee and some can be done with a job share. We are always on the lookout for new additions to the committee to give some longer standing members a deserved break. All our meetings are held on line at 9:30am on the first Wednesday of the month and rarely take more than an hour to complete. It is a rewarding experience and we value the skills you can bring to making our work easier.

Any member thinking of putting him/herself forward is welcome to observe a committee meeting before committing him/herself or to contact the Chair, Ilanah Dance, for further information and the skills we are looking for.

Please use the form below to nominate a new committee member (who should have your permission). This also requires a proposer and seconder, and ALL must be a current member of The Arts Society Nottingham.

A scan copy is acceptable to return.

**Nominations close on 30th September 2026
and any vote will be taken at the AGM on 14th October 2026.**
