

## Tours to Central Asia in 2022 with Chris Aslan Alexander

In 2022, I'll be leading two group tours to Uzbekistan in the Spring with Steppes; one in April and one in April/May:

Then in September/October 2022 I'm leading a cheaper half-board tour of Uzbekistan with Indus Experiences: <https://www.indus experiences.co.uk/tours/unravelling-the-silk-road/>

The September tour is now fully booked, but we're currently planning on a second tour to meet demand, which would be earlier in September. If you're interested, then please email Yasim, who is organising the tour: [yasin@indus experiences.co.uk](mailto:yasin@indus experiences.co.uk)

The second tour in April is fully booked but there may still be places on the first tour with Steppes. If you're interested, then please email Paul: [paul@steppestravel.com](mailto:paul@steppestravel.com)

With all the Uzbekistan trips, we visit the Sunday market in Urgut, which is a great place for buying suzanis and other traditional textiles. In Khiva we do a full tour of the silk carpet workshop and have supper at my Uzbek family's house.

Please email me with any questions.

Best wishes for 2022,

Chris Aslan Alexander
